Signature:

I am pleased to recommend the following applicant.

1. Applicant

Affiliation (Institution):

Name:

2. Research Topic

3. Reason for Recommendation

※ Please briefly describe the applicant's ability to conduct research, academic expertise, research achievements, and the expected outcomes of the proposed research to be supported by this grant. (Approximately 200–250 words)

Note: Applicants who are not full-time researchers affiliated with a university, museum, or other research institution (e.g., graduate students, part-time researchers, or independent researchers/freelancers) are required to submit a recommendation from a recommender who holds a position such as a university professor, a museum director, or an equivalent position.
